PARTS & MORE PARTS

Did you ever place an order and then wait and wait because the company was only a call center and didn't stock any physical parts? That is not the case when you place your order with Star Racing. We have the parts you want and need sitting on the shelf in the parts warehouse ready for same day shipping. We ship UPS ground, 3-day, 2-day and next day air so if you're on the way to a race, we can make sure you get down the track. Of course if you want to special order something we can do that too. Shop over 40 vendors with just one call - 800-841-7827 or shop the online store at www.starracing.com

VENDOR SPOTLIGHT:

Star has been working very closely with the Snake and the techs at CP Pistons to develop cutting edge products to bring you the highest quality and best performance - whether you're a professional drag racer, go to your local track a few times a year, or just like to ride your Road King® with your buddies on the weekend. If you need off the shelf or custom pistons, Star and CP Pistons can get the job done. Check out some of our piston kits online or call for more information.
